On April 20th 2011 Plaintiff BARRANS Requested to see A psych Doctor ^{SGT}Gyimah Stated "kill your-self & stop talking about It". This plaintiff then cut his wrist. Med Tech was called and % Holman Ask ^{SGT}Gyimah was I going to HCU then stated "I'd let him keep cutting, he's only hurting himself." ^{SGT}Gyimah then said "he doesn't need to see A psych Doctor he need to get his ASS whipped". I was placed back in my cell, & no psych Doctor was called. I then set the inside of the cell on fire and cut myself again. I was pulled out and spoke with Doctor Woods. The next day On April 21st 2011 I informed "BurkyBile" that I needed to see A crisis team which NO ONE came to see me; I then set my ARM ON FIRE by Rapping blit paper around & setting it on fire. ^{SGT}Gyimah & "BurkyBile" came with the fire extinguisher put my ARM out. Med Tech came and a white cream was put on my ARM to treat the burn, then I was placed back in the cell. My skin was blistered, pilled back, Red & black.

supposedly no doctor was there to see about the burn. Over night I had a fever & was sweating. My arm was in pain the whole night. I was crying because the air made it worst. The burn had clear & yellowish stuff coming from it.

On April 26th 2011 I told % Dyer I was feeling self injurious suicidal and depressed, he stated he'd send the Sgt because that was who had to call the crisis team member. ^{Sgt} Williams came to my door cursed me out saying "what the fuck you need a crisis team for". He said if you aint talking you dont need one. I told this Sgt I wasn't speaking to nobody who talked to me like he did, & that I need a crisis because he wasn't a crisis member nor trained to be one & that I didn't have to speak with him about my issues. He (Sgt Williams) walked off. A crisis team never came. I set my arm on fire again. I did not receive medical attention untill the next day. My arm had blister(s) and smelt rotten.
